Parent Circular no: 23/18

24 January 2018

Dear Parent/Guardian,

Primary 5 Supplementary / Remedial Lessons in 2018 (Semester 1)

1. Your child/ward is in Primary 5 this year. The success of your child's academic performance depends on how well he/she is prepared for the examinations. The school will support your child/ward by conducting supplementary/remedial lessons beyond curriculum time.
2. The weekly supplementary and remedial classes will commence on Monday, 22 January 2018. Please refer to the schedule on the next page.
3. Classes will be scheduled on certain days for the Code for Fun Programme. Please refer to the third and fourth pages of this circular for the programme details and the schedule. The Code for Fun sessions will supersede the supplementary and remedial sessions.
4. Other than public and school holidays, there are no supplementary and remedial lessons on selected days. Please refer to the list on the next page.
5. Subject Teachers will issue a notification should there be any cancellation of supplementary and remedial lessons.
6. All supplementary and remedial classes are compulsory. A medical certificate or parent/guardian's letter has to be submitted if your child/ward is unable to attend the classes.
7. For safety, pupils who need to go **home** for lunch between 1.35 p.m. and 2.05 p.m. must seek permission from their Form Teacher or Co-form Teacher.
8. We thank you for your understanding and support of this school-wide initiative which would enhance your child / ward's learning.
