Dear Parents/Guardians,

## USE OF ICT APPLICATION (iMTL Portal) FOR LEARNING MOTHER TONGUE LANGUAGES

1. To enhance students' learning of the Mother Tongue Languages (MTLs), an information and Communication Technology (ICT) application – the iMTL Portal – has been developed.
2. This ICT application is an essential component of learning as it supports opportunities for students to listen, speak, read and write more effectively. It also helps to prepare schools and students for the ICT-based national examinations.
3. All Primary 4 to 6 students can now access their accounts in the iMTL portal. Student can logon to website :

<https://imtl.sg>

User ID: xxxxxxxxx (Student's Identification Number)

Password: **Password-1**

4. Students are strongly encouraged to **change their passwords** and **update their email addresses** in the Portal. The updated email address will facilitate the resetting of password.

Thank you.
